## Understanding the HBS Case Interview Format

### What Is a Case Interview?

The case interview is a simulation where the interviewer presents a business problem, and the candidate must analyze, structure, and propose solutions in real-time. Unlike traditional interviews focusing solely on resume and motivation, case interviews assess candidates' analytical rigor, problem-solving skills, and communication abilities.

- Depth of analysis over breadth
- Leadership potential and personal qualities
- Ability to think independently and challenge assumptions
- Clear, concise communication

Typically, the HBS case interview involves a one-on-one discussion lasting around 30-45 minutes, centered on a real or fictional business scenario.

## Preparing for the HBS Case Interview
